

Rotary District 6910 Priorities for 2019-2020

The Rotary International President for 2019-2020, Mark Daniel Maloney has given us a remarkable, and accurate, theme for 2019-2020:

This theme works in perfect concert with Rotary's New Vision statement.

“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. “

My position when I interviewed for District Governor in 2016, and today, is that the best way to support RI's Vision and goals is to build strong Rotary Clubs full of well informed, motivated Rotarians. I pledge to make all the resources of Rotary—at every level—available to support our Clubs so that each of you can experience the best possible Rotary year.

1 Priority & Goal

Clubs Will End The Year As Stronger, Better, And More Connected Clubs.

Supporting Priorities & Goals

- Rotary Communities Will Be Better Served By Our Rotary Clubs.**
- Clubs Will Experience Net Membership Growth.**
- Clubs Will Have An Increase In Foundation Giving.**
- Club Public Image Activities Will Create a Better Understanding of Rotary.**
- Clubs Will Qualify For Some Level of District, Zone Or RI Recognition.**
- Clubs Will Participate in World Polio Day & 10 Million Meal Activities.**
- Clubs Will Support and Participate In The 2020 District Conference -aka “ Rotary Family Vacation.”**

If you review each supporting goal separately you can see that “any” club could achieve “any” of the goals. It is not such a stretch then, to believe that “all” clubs could achieve “all” of them. If we work towards these goals together, there is no doubt that next Spring we will be celebrating the success of 73 (or more) vibrant Rotary Clubs forming one of the strongest and most effective Districts in the Rotary world.

Overarching Guidance from the District Governor:

Go Forth and Do Great Things – and Have Fun Doing It.

A handwritten signature in black ink, which appears to be "Mark Daniel Maloney". Below the signature, the date "February 1, 2019" is written in the same ink.
